Testing Patterns
Test Fixture Patterns
Test Data Patterns
Test Objective Patterns
Assertion Patterns
Mock agent/tool
Mock external dependencies
Mock Environment
Mock non-agentic components
Mocked Data
Real data
Realistic synthetic data
Test data
Entire agent/tool
Some components in agents/tool
Client/Server system
Configuration
Testing application agents/tool
Testing synthetic agents/tools
Testing scenario
Testing interaction
Asserting on agent/tool
Asserting on environment
Asserting on non-agent
No assertion
With Environment
With non-agentic systems
With other agents/tools
Agent/tool state
Agent/tool output
Agent/tool memory
Agent/tool Reasoning
Deterministic system
Non-Deterministic system
